Committee's Report

For the Year Ended 30 June 2022

Your Committee members submit the financial report of Housing for the Aged Action Group Inc for the financial year ended 30 June 2022.

Committee Members

The names of Committee members and their position at the date of this report are:

<u>Name</u> Phyll Williams

Pamela Young

Maeve Browne-Cooper

Karen Abols

(Appointed Nov 21) **Andrew Rogers**

Hoda Nahal Kris Spark Pauline Crameri

Margaret O'Loughlin (Appointed Nov 21) (Retired Nov 21) Peter Sibly Mary-Ann Wright (Retired Oct 21)

Executive position

- Chairperson
- Vice Chairperson
- Secretary
- Treasurer

Principal Activities

The principal activities of the Association during the financial year were as follows: Housing for the Aged Action Group Inc is a community based organisation specialising in the housing needs of older people. The mission of the Association is to engage and work with older people through community activism, services and advocacy to achieve social change and housing justice. The Association's service arm is the Home at Last Service which provides a one-stop shop of housing information, support, advice and advocacy.

Significant Changes

COVID-19: Access to the Association was significantly impacted by Victoria Government order issued in 2019/20, 2020/21 and 2021/22 as part of the measures to reduce the spread of COVID-19. Revenue may be impacted until COVID-19 is brought completely under control and restrictions eased.

Other than the above, there were no significant changes in the state of affairs of the Association other than those referred to in the accounts and notes thereto.

Operating Result

The operating surplus (income tax exempt) amounted to \$148,513 (2021: \$123,535 surplus).

Committee Member Benefits

No Committee member has received or become entitled to receive, during or since the end of the financial year, a benefit because of a contract made by the Association, controlled entity or a related body corporate with a Committee member, a firm of which a Committee member is a member or an Association in which a Committee member has a substantial financial interest. This statement excludes a benefit included in the aggregate amount of emoluments received or due and receivable by Committee members shown in the Association's financial statements, or the fixed salary of a full-time, part-time, or casual employee of the Association, controlled entity or related body corporate.

Auditor's Declaration

A copy of the auditor's independence declaration as required under section 60-40 of the Australian Charities and Not for Profits Commission Act 2012 can be found on the page following this report.

Signed in accordance with a resolution of the members of the Committee

Phyll Williams - Chairperson

Karen Abols - Treasurer

Auditor's Independence Declaration

To Housing for the Aged Action Group Inc,

In accordance with the requirements of section 60-40 of the Australian Charities and Not for Profits Commission Act 2012, as lead auditor for the audit of Housing for the Aged Action Group Inc for the year ended 30 June 2022, I declare that, to the best of my knowledge and belief, there have been:

- (a) No contraventions of the independence requirements of the *Australian Charities and Not for Profits Commission Act 2012* in relation to the audit; and
- (b) No contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Summary of Significant Accounting Policies

Basis of Accounting

Statement of Compliance and Financial Reporting Framework

The Committee have prepared the financial statements on the basis that the Association is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The special purpose financial statements have been prepared in accordance with the recognition and measurement requirements of Australian Accounting Standards and Interpretations to the extent outlined in the section below this paragraph, and the disclosure requirements of the following standards:

AASB 101: Presentation of Financial Statements

AASB 107: Cash Flow Statements

AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048: Interpretations of Standards AASB 1054: Australian Additional Disclosures

The financial statements do not comply with all the recognition and measurement requirements in Australian Accounting Standards. The material accounting policies adopted in the special purpose financial statements are set out in Note 1 below, and indicate how the recognition and measurement requirements in Australian Accounting Standards have not been complied with, noting the material areas that are not in compliance are as follows:

- AASB 15 Revenue from Contracts with Customers
- AASB 1058 Income of Not-for-Profit Entities

The Association has concluded that the requirements set out in AASB 10 and AASB 128 are not applicable as the initial assessment on its interests in other entities indicated that it does not have any subsidiaries, associates or joint ventures.

New or Amended Accounting Standards and Interpretations Adopted

A number of Australian Accounting Standards and Interpretations have been issued or amended but are not yet effective, and have not been early adopted. The impact of these new or amended Accounting Standards is not expected to give rise to material changes in the Association's financial statements.

Basis of Preparation

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs. They do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The Committee have reviewed the business outlook and the assets and liabilities of the Association and are of the opinion that the use of the going concern basis of accounting is appropriate.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these special purpose financial statements:

(a) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(b) Taxation

The Association is exempt under section 50-30 of the Income Tax Assessment Act 1997 as amended, as a non-profit organisation. As such, no allowance has been made for Income Tax.

The Association is registered with the Australian Charities and Not-for-profits Commission as a Public Benevolent Institution and is endorsed as a Deductible Gift Recipient.

ABN: 80 348 538 001

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Summary of Significant Accounting Policies (Continued)

(c) Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(d) Plant and Equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Plant and equipment are measured using the cost model. Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognised at the fair value of the asset at the date it is acquired.

Depreciation

Plant and equipment is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Assets	Depreciation Rate
Plant & Equipment	4 years
Motor Vehicles	4 years
Computer equipment	3 years

^{*} Assets under \$1,000 are considered minor assets and are taken to the profit and loss as an expense when incurred.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in results from Continuing Operations in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

(e) Impairment of Assets

At the end of each reporting period, the Association reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in results from Continuing Operations.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the Association would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

ABN: 80 348 538 001

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Summary of Significant Accounting Policies (Continued)

(f) Trade and Other Receivables

Trade and other receivable include amounts due from customers and donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(e) for further discussion on the determination of impairment losses.

(g) Revenue and Other Income

The Association has applied AASB 15: Revenue from Contracts with Customers (AASB 15) and AASB 1058: Income of Not-for-Profit Entities (AASB 1058), to most material government grant and income streams, except for material philanthropic income (see statement of non-compliance below).

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

All revenue is stated net of the amount of goods and services tax (GST).

Operating Grants, donations, and bequests

When the Association receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, the Association:

- i) identifies each performance obligation relating to the grant recognises a contract liability for its obligations under the agreement
- ii) recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Association:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (e.g. AASB 9, AASB 16, AASB 116 and AASB 138)
- ii) recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer)
- iii) recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Association recognises income in profit or loss when or as it satisfies its obligations under the contract.

Philanthropic income & grants (non-compliance with recognition & measurement requirements) All philanthropic and other grant income has been deferred upon receipt, and not recognised as revenue until the related expenses are incurred, without assessing whether there are enforceable performance obligations to transfer a good or service to a third party which are sufficiently specific to know when the performance obligation has been satisfied. This does not comply with AASB 15 Revenue from Contracts with Customers, or AASB 1058 income of Not-for-profit Entities.

Interest income

Interest is recognised using the effective interest method.

Other income

Other income is recognised on an accruals basis when the Association becomes entitled to it.

Volunteer services

The Association has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

ABN: 80 348 538 001

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Summary of Significant Accounting Policies (Continued)

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement. Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(i) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(j) Income in advance (Contract Liability)

Income in advance represent the Association's deferment of income received for certain revenue streams, as outlined in the Revenue accounting policy note. In these instances, consideration received is not recognised as revenue until the related expenses are incurred under the respective projects.

(k) Employee Entitlements

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements.

Where an employee long service leave entitlement is satisfied by contributions to a portable long service leave industry fund, payments to the fund are expenses when incurred. An asset is also recorded in the statement of financial position representing the estimated future claims for leave taken that is expected to be reimbursed by the portability fund regulator.

Contributions are made to employee superannuation funds and are charged as expenses when incurred.

(I) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(m) Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

(n) Leases

Leases are capitalised on the balance sheet when material, by recognising a 'right-of-use' asset and a lease liability for the present value of the obligation.

Short term leases of twelve months or less are charged as expenses on a straight-line basis over the life of the lease term.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

ABN: 80 348 538 001

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Summary of Significant Accounting Policies (Continued)

(o) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current

(p) Critical Accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Association based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the Association operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Association unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

Estimation of useful lives of assets

The Association determines the estimated useful lives and related depreciation and amortisation charges for its plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Association assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Employee benefits provision

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Performance obligations under AASB 15

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/-type, cost/-value, quantity and the period of transfer related to the goods or services promised.

		26,500	72,288
Total Revenue and other income		2,877,187	2,581,221

(i) Income in Advance

As per the accounting policies, the Committee has determined that various philanthropic funding may not comply with the recognition and measured criteria of accounting standards for revenue. Instead, revenue is being recognised when it is appropriately matched with expenditure under these philanthropic projects. Any remaining unspent funds at year end are taken to Income in Advance (Contract Liability) in the balance sheet and carried forward to be recognised as incurred in future periods. Each project has been funded based on the Association providing detailed budget forecasts, and as agreed with the funders, monies are expected to be used exclusively in line with the funding application.

Income in advance is made up of the following unspent and unapplied funds at the year end:

	Philanthropic funding - Wicking Trust	454,134	422,404
	Philanthropic funding - Ian Rollo Currie Foundation	192,778	103,209
	Govt Grants 2022/23 - DHCDE - QLD (2022/23 funding)	254,393	-

	- one to two years	-	-
	- two to five years	<u> </u>	-
	Total Minimum lease payments	-	11,505
	Less: Finance charges		(150)
	Present value of minimum lease payments		11,355
	Operating Leases		
	At the year end, the Association was committed to making operat following term:	ing lease payments for pr	operty over the
	Less than one year	80,054	97,394
	Total Commitments	80,054	97,394

The property leases, being office and carparking spaces, are considered 'short term' leases under AASB 16 Leases, as they have a 12 month term, and it has been assessed as not reasonably certain to exercise extension or hold over option beyond 12 months mostly due to COVID-19 pandemic and due to continuing unexecuted lease negotiations.

11 Contingencies

In the opinion of the Committee, the Association did not have any contingencies at 30 June 2022 (30 June 2021: None).

12 Cash Flow Information

Reconciliation of Cash Flow from Operations with Profit after Inc.	come Tax

Cash Flows from operations	629,463	527,168

ABN: 80 348 538 001

Notes to the Financial Statements

For the Year Ended 30 June 2022

13 Related Parties

During the year, amounts totalling \$4,981 were paid to committee members as reimbursement for project meeting participation, either in reference groups or as community educators.

There were no other related party relationships or transactions not otherwise mentioned elsewhere in the financial statements.

14 Economic Dependence

The Housing For The Aged Action Group Inc is dependent grants and trust income for the majority of its revenue used to operate the business. At the date of this report the members of the committee have no reason to believe funders will not continue to support The Housing For The Aged Action Group Inc.

15 Events after the end of the Reporting Period

The impact of the Coronavirus (COVID-19) pandemic is ongoing. It is not yet quantifiable to estimate the potential impact, positive or negative, after the reporting date. However at this stage nothing has come to the attention of the Committee that would indicate a negative impact to the Association. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

Other than the above, no matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years, unless otherwise disclosed

16 Association Details

The financial report is for Housing For the Aged Action Group Inc Limited as an individual entity, incorporated and domiciled in Victoria, Australia. The financial report is presented in Australian dollars.

The registered office of the Association is: 1st Floor, Ross House 247-251 Flinders Lane Melbourne, Vic, 3000

ABN: 80 348 538 001

Committee's Declaration

For the Year Ended 30 June 2022

The Committee have determined that the Association is not a reporting entity.

The Committee have determined that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the accounts.

In the opinion of the Committee:

- a) The Association is not a reporting entity as detailed in Note 1
- b) the financial statements and notes of the Association are in accordance with the *Australian Charities and Not for Profits Commission Act 2012*, including:
 - i. Giving a true and fair view of its financial position as at 30 June 2022 and of its performance for the financial year ended on that date; and
 - ii. Are prepared in accordance with the Accounting Policies described in Note 1 to the financial statements and the requirements of the *Australian Charities and Not for Profits Commission Regulation 2013*; and
- c) There are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Phyll Williams – Chairperson Karen Abols - Treasurer

Independent Auditor's Report:

- to the Members of Housing for the Aged Action Group Inc

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Housing for the Aged Action Group Inc, which comprises the Statement of Financial Position as at 30 June 2022, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Committee's declaration.

In our opinion, the financial report of Housing for the Aged Action Group Inc has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act), including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2022 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013* (ACNC Regulations).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the *Australian Charities and Not for Profits Commission Act 2012.* As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of the above matters.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of the Association are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 June 2022, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The Committee of the Association are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not for Profits Commission Act 2012. The Committee's responsibility also includes* such internal control as the Committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

(Responsibilities of the Committee for the Financial Report – CONTINUED)

In preparing the financial report, the Committee are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Committee of the Association are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
